

## **THESPIAN SCHOLARSHIP COMPETITION**

The Michigan State Thespians will be offering scholarships for graduating seniors who plan to major or minor in Theatre or Communication Arts. *Students who are not active members are not eligible for scholarship consideration.*

A student can compete in either the area of Performance or Production or Service. Each applicant will present a prepared audition and portfolio in PERFORMANCE (acting and/or musical Theatre), PRODUCTION (design, promotion, stage management, technical achievement) or SERVICE. **Each director can nominate a maximum of two seniors in this scholarship competition. However, each school can nominate only one student per category. For example, the School "B" director decides to have Bill Shakespeare compete in performance and Susan Smith to compete in the Service/Production category. Bill and Susan could not both compete in Performance or Service/Production.**

The student's director may watch their student's audition, but no other students or adults (including parents) are permitted to watch Thespian Auditions. **Each student will be assigned an 8 minute audition slot.** The time and room location will be provided in the Festival Program and given out at Festival check in.
